The **DV NEOCLASSIC** cabinets series features super lightweight **neodymium** magnets custom made by DV Mark. These **innovative speakers** are the result of hard work and several tests on neodymium speakers tonal character: a **lightweight speaker** that sounds and reacts like a **classic** speaker.

The **DV 212 GH** Greg Howe signature features a couple of 12" Neoclassic speakers into a **deeper** cabinet, offering **full** and **balanced sound**. The **closed-back** design gives **warmth**, **clarity** and **impressive low-end punch** allowing to get the **4x12" feel in smaller size**.

It can be matched with any DV Mark head (or any other guitar head you use), thanks to its **300W** power handling allowing to manage any full power sized head.

Like the other DV Mark cabinets, it's **super light-weight** and **easy to carry** everywhere, it only weighs **29.54 lbs (13.4 kg)**!

SUGGESTED SELLING POINTS

> GREG HOWE SIGNATURE

During his visites at our company DV Mark top-artist and guitar hero **Greg Howe** strictly worked with **Marco De Virgiliis**, testing and comparing many speakers and cab design to developpe the **DV 212 GH**. It not only fits Greg's taste and needs but it's a **great choice for every guitarist!**

> GREAT CLASSIC TONE / WIDE SIZE CABINET

Due to its **closed-back** design and physical **extra depth**, this 2x12" cabinet delivers a **great warmth** and **clarity**, as well as a **full and balanced response** and **impressive low-end punch**. The DV Neoclassic speakers deliver a **classic tone**, giving the **feel** and **tonal response** all guitarists around the world are familiar with. It's an outstanding 2x12" cab you can easily replace your 4x12" with!

It can be used in **Mono** or **Stereo**, and it can be easily linked to another cabinet.

> PORTABILITY - INCREDIBLE POWER HANDLING / WEIGHT RATIO

As the other DV Mark cabinets, the **DV 212 GH** is **very portable** and it's the **perfect choice** for your head or as an extension cab for your combo amp. Thanks to its **extra depth**, **300W** power handling (you can easily use it with full sized heads) and **light weight** (only 29.54 lbs /13.4 kg), this cab is the **perfect choice** for any use, from **small clubs** to **rehearsal rooms** and of course for **mid-to-large stages** everywhere.
